

“As a small business owner the success of my business depends on the support from the community we serve and live in. It only makes sense to support the community in return.

That’s why I am a member of 100 Donors and encourage everybody to join as well. A healthy, thriving community guarantees individual wellbeing and overall progress. It’s a win-win situation.”

— Michael Lang
Owner, Signarama Hartsdale
Board Member, 100 Donors
